

# LEADERSHIP PREP SCHOOL

## Campus Improvement Plan 2016-2017

### LPS VISION

- P Parent Partnership
- L Leadership Development
- A Academics
- C Creativity
- E Excellence

### LPS GOALS

- Goal 1: To create a school climate where students are engaged and empowered in what and how they are learning using a PBL model as our guide
- Goal 2: To impart leadership principles and skills to the students (such as collaboration, integrity, vision, responsibility and renewal) so that they can lead themselves and therefore others utilizing the Leader in Me model
- Goal 3: To prepare students for postsecondary and career success

### Identified Needs:

1. More effective way to ensure that differentiation is occurring for all students, but particularly for SPED/GT/ESL
2. Only 6% of our ELLs exited the ESL program in grades 1-8
3. Increase parent engagement and connection
4. Launch of a new project-based learning model in grades 8-9 with New Tech Network (NTN)
5. Launch of a new technology program in grades K-4 with Code to the Future
6. Improve student awareness of healthy relationships and communication
