LPS discipline & attendance policies will be enforced:

1. Report to class on time with supplies.

3. Do you best!
4. Cell phones must be turned completely off while in class unless we are using them for a project.

DISCIPLINE PHILOSOPHY

Establishing clear expectations for student behavior is one of the important roles that the teacher plays. These expectations provide students with guidelines for understanding appropriate and inappropriate behavior.

Classroom expectations are established to help all students work and learn in a safe, comforting environment.

If a rule is broken, we will follow this policy:

First offense: Verbal warning

Second Offense: Conference with student

Third Offense: Call home/detention

Fourth Offense: Referral to office

Please note: Serious infractions of rules will result in immediate referral to Principal or suspension from class.

ABSENCES

If you are ever absent, you must check with your teacher about missed work. You will have one (1) extra day for each day of excused absence to make up any assignments. Any assignments turned in after this time will receive late credit. If you are absent for a test, you are expected to take the test the next class period. It is your responsibility to schedule the make-up test.
